

MAILBOXES

1. Replacement mailboxes are available at Wal-Mart and can be either aluminum or plastic. We suggest you use plastic. For uniformity in the community all mailboxes should look as follows:

2. Mailbox posts are available at Home Depot and should match those installed in the community.
3. Mailbox posts are to be painted Behr Paint – Chamois Cloth W-F-110 available at Home Depot.
4. The post office requires that the bottom of the mailbox be 42 inches above the street pavement (not the grass).
5. If you desire someone to install a new mailbox or paint your existing mailbox please contact Dave Cross at 928-5462 (his cell number) for his availability and pricing.
